CONSTRUCTION UPDATE

**Pleasant Street, from Bay Street to Hillside Avenue
Road Re-Construction Transportation Project
July 2018 – October 2018**

Dear Sir/Madam:

As part of the 2018 Local Streets Rehabilitation Program, the City of Victoria will be completing the improvements mentioned below. Construction is expected to start the week of July 3, 2018 with completion expected in October, 2018.

The scope of work includes the following:

- **Accessibility Improvements:** Sidewalks and wheelchair ramps will be rebuilt to improve the pedestrian corridor.
- **Storm Water Control:** New catch basins, pavement, concrete curb and gutter will provide better storm water control.
- **Road Reconstruction:** The existing pavement will be reconstructed, renewing the City's investment in the road and sidewalk infrastructure.

The City of Victoria will work to minimize inconveniences during construction. Local access will be maintained and some parking restrictions will be required. The construction area will be clearly marked with signs.

If you have any questions, comments or concerns, regarding this project please contact me at 250-883-0513 or cjalonen@victoria.ca.

Regards,

Christopher Jalonen, AScT
Works Technologist
