CONSTRUCTION UPDATE

**Delta Street, from Burnside Road to Steele Street
Road Re-Construction Transportation Project
February 2019 – April 2019**

Dear Sir/Madam:

As part of the 2019 Local Streets Rehabilitation Program, the City of Victoria will be completing the improvements mentioned below. Construction is expected to start the week of February 25, 2019 with completion expected in April, 2019.

The scope of work includes the following:

- **Accessibility Improvements:** Spot repairs will be made to the sidewalk and wheelchair ramps which will improve the pedestrian driveway corridors.
- **Storm Water Control:** Spot repairs of concrete curb and gutter will provide better storm water control.
- **Road Reconstruction:** The existing road and pavement will be reconstructed renewing the City's investment in the road infrastructure.

The City of Victoria will work to minimize inconveniences during construction. Local access will be maintained and some parking restrictions will be required. The construction area will be clearly marked with signs.

If you have any questions, comments or concerns, regarding this project please contact me at 250-883-0513 or cjalonen@victoria.ca.

Regards,

Christopher Jalonen, ASCT
Works Technologist
