To the Business and Property Owners of Pleasant Street

Dear Sir/Madam:

**Re: Proposed sidewalk and road improvements**

The City of Victoria has identified improvements to Pleasant Street, from Bay Street to Hillside Avenue as part of the 2018 Capital Improvement Program.

The proposed improvements include:

- **Paving:** Upgrading the road surface from Bay Street to Hillside Avenue
- **Sidewalk:** New installation of sidewalk from John Street to Hillside Avenue

We appreciate any questions or input you have regarding the proposed works, please contact me directly by February 23 2018.

The work will commence this spring, with an additional notification distributed prior to the start of work.

Sincerely,

A handwritten signature in blue ink, appearing to read "BCrowder".
